## **FUNDS AVAILABILITY DISCLOSURE**

Our Policy is to make funds from your cash and electronic payments available to you on the same day we receive your deposits. At that time, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

Our policy is to make funds from your check deposits available to you on the first business day after the day we receive your deposit. The first \$200 of your deposit, however, will be available on the same day.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for check you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or not on a business day, we will consider that the deposit was made on the next business day we are open.

### **LONGER DELAYS MAY APPLY**

In some cases, we will not make all of the funds that you deposit by check available to you on the same day we receive your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$200 of your deposits, however, will be available on the same day.

If we are not going to make all of the funds from your deposits available on the same day we receive your deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you need the funds from a deposit right away, you should ask us when the funds will be available.
